The screenshot shows a mobile application interface for a smart home. At the top, there is a header with a hamburger menu icon on the left, the name "Pauli Toivonen", and the address "Urho Kekkosen katu 7B, Helsinki". Below the header, there are three data cards: "Temperature" showing 23°C, "Humidity" showing 43%, and "Carbon dioxide" showing 350ppm. Each card has a small icon and a note "Activated on 3, Dec, 2018". Below these cards is a section titled "SUBSCRIPTIONS" with a message: "It seems you don't have any subscription. Let's check what subscriptions can benefit for you." At the bottom of this section is a green button with the text "GO TO SEE SUBSCRIPTIONS".
