

Psychiatric emergency services from 2 February 2015 onwards

Around-the-clock psychiatric emergency services in Helsinki will be provided by the **Haartman and Malmi hospitals' emergency departments from 8:00 on Monday, 2 February** onwards.

Haartman Hospital Emergency Department (primarily for residents of southern, central and western Helsinki)

Haartmaninkatu 4, building 12

tel. 09 310 63231

Malmi Hospital Emergency Department (primarily for residents of eastern, south-eastern, north-eastern and northern Helsinki)

Talvelantie 6, entrance J

tel. (09) 310 67204

The emergency departments of Haartman and Malmi hospitals provide emergency mental health care for residents of Helsinki aged 16 or over. Emergency mental health care services for those under 16 years old are available at the Children's Hospital Emergency Department (Stenbäckinkatu 11, tel. 09 87 10023).

Emergency services will no longer be provided at Aurora Hospital after 8:00 on 2 February. However, Aurora will continue to provide mental health care services.

In the case of mental health problems, both adults and children should primarily seek treatment at their local health station. In non-urgent matters, patients of the Psychiatric and Substance Abuse Centre should turn to their designated care unit.

The Telephone Health Service at 09 310 10023 provides information on health care services in Helsinki and treatment instructions for illnesses around-the-clock for the cost of a normal phone call.
