

How we work

We exist for the people of Helsinki.
We care about the wellbeing of the
city and its residents.

A Helsinki we can be proud of

Pleasant
neighbourhoods
with a strong sense
of community

Widespread
wellbeing

Strategic
priorities

A smooth everyday
life and functional
services

Development that
respects nature
and makes the city
more attractive

Activity, vitality, skills
and growth

Operational
cornerstones

Financial
management

Climate
and nature

Staff and
leadership

Security and
preparedness

Advocacy and
internationalism
