

1.

Book an appointment at bookcovidvaccine.fi or by calling the number 09 310 46300 (Mon–Fri 8:00–18:00).

2.

Keep the text message or email that you receive regarding your appointment.

3.

Do not come for the vaccination if you have any symptoms of COVID-19. Take care of hand hygiene, use a face mask and maintain a distance of at least two metres from other people. Read more detailed instructions at coronavaccination-en.hel.fi.

4.

Go get vaccinated at the place indicated when you booked your appointment. Please be prepared to verify your identity with an ID card or similar.

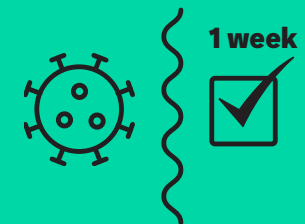

5.

2nd dose

You will receive a second dose of the vaccine 12 weeks after the first dose. You can book the appointments for the administration of both doses at the same time.

6.

The vaccine will only reach full effectiveness one week after the administration of the second dose. Please continue to adhere to protective measures even after this.
