Kesäpäivä Töölönlahdella juhlistaa Suomen EU-puheenjohtajakauden alkua iloisen kesäisen ohjelman merkeissä. Tarjolla muun muassa taidetyöpajoja, Waltarin säestämää puistojumppaa, Helsinki Cup -pelejä ja piknik-vilteillä hengailua.

Summer Day at Töölö Bay celebrates the beginning of Finland's Presidency of the Council of the European Union with a cheerful summery programme. Activities include art workshops, exercise classes in the park with live music, Helsinki Cup football games, and lounging on picnic blankets.

Med Sommardagen vid Tölövikén och ett glatt och somrigt program firar vi början på Finlands EU-ordförandeskap. Bland annat bjuds det på konstworkshoppar, parkgympa där Waltari ackompanjerar, Helsinki Cup-spel och chillande på picknickfiltar.
