# Make an impact

Do you want to give feedback, criticism or suggestions in order to improve the city and its services? Do you want to participate in the development of your city?

## Here are some websites that will get you started.

### **palautteet.hel.fi**

Through our feedback channel you can send your praise, criticisms or development suggestions.

### **omastadi.hel.fi**

Through OmaStadi you can submit and vote for proposals that the City carries out.

### **nuorten.hel.fi**

Youth Helsinki brings together opportunities for youth participation.

### **kerrokantasi.hel.fi**

Here you can find plans which are in progress or proposals. The residents can also voice their opinions on them.

### **osallistu.hel.fi**

Find your way to participate from a variety of possibilities.

### **kuntalaisaloite.fi**

You can launch and support initiatives about things in the city's jurisdiction. The city's experts answer initiatives continuously and twice a year the city council is informed about the initiatives that fall under their jurisdiction and about the measures taken as answers.
