Hotel Hoàn Kiếm, Viet Nam

Hotel in Hanoi. Small but cozy. Breakfast was simple with quite few european food options. Also the dining area was small with only approx 5 tables. Rooms were fresh and the airconditioner was working great.

Junk Boat trip in Ha Long Bay

★★★★★ [See Prices](#)

Bay Ha Long, Viet Nam

I highly recommend staying one night at a boat in Ha Long Bay. The boat we stayed at was super nice, with delicious vegan food, good airconditioning, showers in every room etc. The boat stopped in different locations like Titop Island.

The train was SUPER loud, beds hard, we had a mouse in our room and over all the experience was awful.
