SUPPLEMENTARY APPLICATION ROUND FOR ENGLISH-LANGUAGE OR BILINGUAL BASIC EDUCATION

The registration form is confidential insofar as it contains the kind of information detailed in section 24, subsection 25, 30 and 32 of the Act on the Openness of Government Activities.

Apply for the studies starting in August 2022 (academic year 2022-2023) by registering for an aptitude test.

You can apply for all schools offering English and/or bilingual education with the same application form and aptitude test. The aptitude tests for English education and bilingual education are on different days.

The application round starts on 2 May at 12:00 pm noon and ends on 22 July at 12.00 pm noon. Late applications will not be taken into account.

To enrol, all guardians of the child must give their consent for applying.

The pupil's home address must be in Helsinki both when making the admission decision and during the entire school time. Address information will be checked in the Finnish Population Information System. If the pupil moves to another city, the pupil is allowed to study in bilingual or English education in Helsinki until the end of the semester. After this, the pupil will lose the school place.

Mail the application to **Education Division, English/bilingual education, Töysänkatu 2D, 00510 Helsinki**. You can also leave the application and the attachment(s) in a closed envelope in the mailbox next to the main entrance, or leave it at the reception during our office hours 8-16 Mon-Fri.
