

SCHOOLCHILDREN'S AFTERNOON ACTIVITIES AT PLAY PARKS

Play parks provide schoolchildren with a diverse and inspiring environment for spending free time after school. In the afternoon activities for schoolchildren, the children have the opportunity play freely, engage in physical activities, play games, spend time outdoors, meet friends, relax and take part in guided activities both indoors and outdoors.

Instructors will ensure the children's safety during the afternoon. The children are covered by insurance when in the play park.

The registration form must be taken in person to the play park where the child is to be attending the afternoon activities.

Registration period: 22 March–23 April 2022

Return the registration form directly to a playground. Find your nearest playground that offers activities for schoolchildren at www.hel.fi/playgrounds/schoolchildren

The afternoon activities at play parks are free of charge. Children may also be registered for snacks at the play park for €36.10/month or bring their own snacks with them. An exemption from the fee for snacks is possible.
