

**NOTIFICATION****of operation based on Section 13 of the Health Protection Act (763/1994)**

Arrival date (filled in by the authority)

The operator must fill in fields 1–7, and 8–18, if applicable.

A layout plan must be submitted as an attachment to a notification concerning a new apartment or a significant alteration to it.

The Environmental Services will check the notification and send a confirmation of its processing. A fee will be charged for processing a notification on the initiation of an operation or making a significant alteration. The Environmental Services may request additional information or other necessary clarifications from the operator in order to process their notification. The notification must be submitted to the Environmental Services no later than 30 days before commencing the operation. The Environmental Services must also be notified without delay if the operator changes or business is closing down. A notification if operation is suspended may be done by calling or via e-mail.

The form is sent using the address **City of Helsinki, Environmental Services, Environmental Health Unit, PO Box 58235, 00099 City of Helsinki, or via email to ymk@hel.fi**
