

The Kallio family centre to be opened on 4 June – exceptions to reception times at the Kallio, Vallila and Herttoniemi maternity and child health clinics

The Kallio family centre will be opened on 4 June 2019 (address: Toinen linja 4 C, 00530 Helsinki).

In the future, the services of the Kallio, Vallila and Herttoniemi maternity and child health clinics will be provided at the family centre.

The number of appointments available with the maternity and child health clinic public health nurse and doctor will be limited during moving days.

Herttoniemi maternity and child health clinic (Itäkatu Family Centre, Tallinnanaukio 1)

On the moving days of 29 and 31 May as well as 3 June, customers of the Herttoniemi maternity and child health clinic can visit the Itäkatu Family centre and other maternity and child health clinics in Helsinki upon agreement.

Customers of Herttoniemi maternity and child health clinic may visit the Kallio family centre from 4 June.

The Kallio and Vallila maternity and child health clinics (Rautalammintie 2)

The Kallio and Vallila maternity and child health clinics (Rautalammintie 2) are closed from the moving day of 29 May onwards. Appointments will be carried out at other maternity and child health clinics in Helsinki upon agreement and in the form of home visits.

Customers of the Kallio and Vallila maternity and child health clinics can visit the Kallio family centre from 4 June.

The maternity and child health clinic telephone service is available as usual (Mon–Fri from 8:00 to 14:00 tel. 09 3105 5530) and directs customers to clinics with available appointments.

We are sorry for any inconvenience caused to our customers by the move.

Please ask for more information about the transfer at the maternity and child welfare clinic.
