

## Grounds for education needs

Independent studying can be aided with an unemployment benefit if aiding the studies is the most appropriate way in terms of labour policy to improve the person's professional skills and opportunities to receive work or keep their job. To verify your education needs, Helsinki Employment Services requests that you answer the questions below.

Last name:

---

First names:

---

Personal identity code:

---

Name of the education programme for which aid is being applied for:

---

Study period:

\_\_\_\_ / \_\_\_\_ 20\_\_\_\_ - \_\_\_\_ / \_\_\_\_ 20\_\_\_\_

Educational institution:

---

Why have you applied for the education programme?

In your own assessment, how good are your chances of finding work with your current professional skills and education?

In your own assessment, how will the education programme improve your professional skills and chances of finding work?

Are you willing to move to another city or town after completing the education programme to find work?

The maximum period for which aid can be provided is 24 months. If your studies take longer, how are you planning to fund your remaining studies?

Have you previously received student financial aid or an adult education subsidy for these studies?

- ☐ Yes, for the period of \_\_\_\_\_  
(Submit a transcript of records of your studies to Helsinki Employment Services)
- ☐ No
